【Networking Event ~Globalization of your company starts from human resource from overseas~】 (This event will be in Japanese.)

The networking event on foreign human resource will be held on January 16th. There are increasing number of human resource coming from overseas with expertise. There are also many companies trying to expand their business globally. However, there are not enough opportunities for such companies to match with the foreign human resource. In this networking event, staff members from universities, public institutions, and a private company which promotes the employment of foreign human resource will talk about the trends and problems of current human resource market for foreign nationals. We would like to invite foreign affiliated companies in Yokohama and make an opportunity to discuss the issue to make a step forward with universities with rich foreign human resources. If you are interested, please take a look at the leaflet from the URL. (<http://www.ywbc.org/docs/20171220-YWBC-vol2-NW-leaflet.pdf>)

※Both the leaflet and the event are in Japanese.

Date : 2018 January 16th (Tuesday) 15:00~17:30 (Gate opens at 14:45)

Venue : TKP Garden City Yokohama

Capacity : 20 people (members of foreign affiliated companies in Yokohama, public institutions in Yokohama, and etc.)

※Each company can sign up to two people. We will stop accepting applications once the capacity number is filled.
